

CleanGreen®

Organic Fish & Calcium Formula

General Use Directions

Use as a ground or foliar application fertilizer for crops.

For Best Results:

Apply: 4 gallons per acre through pivot or sprayer with a minimum of 20 gallons water.

Always jar test before using.

Warning: *Do not apply with fertilizers containing phosphate or potash. Not compatible with any glyphosate formula, 2,4-D amine or ester herbicides.*

Caution: Keep out of reach of children. Harmful if swallowed. If ingested consult a physician. Avoid prolonged contact with skin. In case of eye contact flush with plenty of water for at least 15 minutes.
